

BOXMASTER® DUAL BASE

The Boxmaster Pro Dual Bases' versatile and innovative design provides a platform to which the Boxmaster Pro Tower can be mounted. This allows you to mount the towers taking 16 anchor bolts down to 4 or even 0 with the use of added weight plates. Create the ideal boxing station on a base designed to ensure stability and safety during high-intensity workouts. Fit for boutique studios and high-traffic facilities alike, the Boxmaster Pro Dual Base can fit up to two Boxmaster Pro Towers, offering a dynamic and effective way for members to achieve their fitness goals.
